THAT LITTLE SOMETHING EXTRA...

Let us help you elevate your celebration to new heights.

Picture this: a tequila bar nestled in our chic vanity area, inviting guests to mingle and sip cocktails as they prepare for the festivities above. Or perhaps a cozy haven in The Box, providing a distraction for younger guests during the main event. You could even indulge in separate theming and playlists in each of our spaces, creating an immersive experience like no other. And for those seeking a touch of sophistication, imagine a selection of cigar boxes placed in our garden, offering the quintessential cigar bar experience under the night sky.

And let's not forget the after-party. With our sister venue, Ministry of Sound, located just around the corner, you can dive headfirst into the pulsating beats of the world's most iconic nightclub.

Seamlessly transition your day into an electrifying night of revelry, dancing until dawn in an experience that will linger in your memories for years to come.
